

THE LOMELINOS

“As Christ was raised from the dead through the glory of the Father, so we too might walk in newness of life.”

“The Light shines in the darkness...”

This Fall quarter has been full of amazing testimonies of God’s love touching & transforming lives!

A few praise reports from this quarter: our worship leader, Mac, came out with a live album, we

began a House of Prayer that has helped unify believers in IV more, the Jesus Burger house is the healthiest it has been since the home began 10 years ago (the 15 of them love God, one another, and

the city really well), and the Upper Room (worship & prayer) and the Jesus Burgers on Friday nights continues to have an incredible impact on hundreds of lives that visit our property each week.

First, we want to say thank you on behalf of IVC and our family for all of you who have partnered both financially and prayerfully in 2011...the seeds you are sowing have been growing and producing much fruit in our city and beyond.

Secondly, we are asking that each of you reading this letter who are not currently supporting the church

financially to please prayerfully consider partnering with us in 2012 at some level, as everything helps. In past years we have been a bit hesitant in asking this, but with 80% of our church being college students and with different expenses like Jesus Burgers, Sunday rent, our family’s support, etc., we believe God is asking us to make the needs more known.

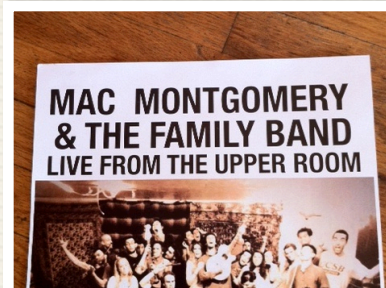

We hope the Holidays have been great for everyone! Feel free to call or email if you have any questions about the church, finances, or anything else. We are honored to be sent to IV and to partner with each of you for the furtherance of His glory in our city - Jesus is being made famous!
